

3M Settlement Capacity Grants

Michele Mabry, Settlement Coordinator

April 3, 2019

Capacity Grants

Capacity Grants are funded by the 2018 Agreement and Order between the MPCA, DNR (Settlement co-trustees) and 3M.

- Available for the **entity (i.e., watershed district) or the consultant representing that entity.**
- Used for **costs incurred** for Technical Subgroup-related activities (meetings, homework) **between December 1, 2018 and December 31, 2019.**
- Up to an **initial maximum amount of \$25,000.**
- **Amount is amendable** if needed based on level of effort and cost expended.
- Eligible costs will be **reimbursed** to the participating WSD's through the Grant.

Grant Application and Invoice Process

- **No formal application required.**
- **Notify the MPCA (Michele Mabry) via email (michele.mabry@state.mn.us)** of your interest in the Grant. We will process your application for you.
- Be sure you have a **designated authorized signer in SWIFT**. An authorized signer is **necessary to sign the Grant**.
- **Submit invoices by the due dates** outlined in the Grant with documentation of work performed.
