

Next Steps

3M PFC Settlement Work Group Meetings

January 18-19, 2022

- Summarize key continuing efforts to implement the Conceptual Plan and initiate work on Priority 2
- Upcoming meetings/topics for workgroups and Subgroup 1

Key MPCA and DNR upcoming activities

- Continue work to receive and review grant forms and establish grant agreements for projects under the Conceptual Plan
- Updating grant request process for construction and O&M
- Work with the SBI to implement investment plan for the Settlement funds
- Receive final report on the IX pilot project and share with work groups
- Continue work on Project 1007
- Refine the approach for Priority 2 and continue to ramp up, including:
 - Initial efforts to establish a new working group for Priority 2
 - Formalizing MPCA and DNR staff roles

Next work group/subgroup meetings and topics

- Tentative plan is to have SG1 meeting in February, but no meetings for Government-3M or Citizen-Business groups
 - SG1: Wednesday, February 16, 1-4 PM
 - Potential topics: IX pilot and update on Project 1007
- Potential future topics for Government-3M and Citizen-Business work group meetings (dates to be determined):
 - Update on approach for Priority 2
 - Check-in with Co-Trustees on Settlement implementation – progress, issues, lessons learned, etc.
