

Next Steps

3M PFAS Settlement Work Group Meetings

Heather Hosterman, Abt Associates; May 17 & 18, 2022

- Summarize key efforts on Priority 1 and Priority 2 work
- Upcoming Priority 1 and Priority 2 work group meetings

Key MPCA and DNR upcoming activities

- Priority 1 MPCA and DNR activities include:
 - Continue work to receive and review grant forms and establish grant agreements for projects under the Conceptual Plan
 - Develop metrics to show Conceptual Plan implementation progress
 - Implement investment plan
- Priority 2 MPCA and DNR ramp-up activities include:
 - Recruit new members for Priority 2 work groups
 - Invite Subgroup 2 members
 - Develop more specific ecosystem services and recreation subgroup (SG2) goals
 - Develop draft charters for working groups and Subgroup 2

Priority 1 work group meetings

- Tentative plan is to have Priority 1 Subgroup 1 (SG1) meeting in June, but no meetings for Priority 1 Government/3M or Citizen-Business work groups
 - SG1 meeting: Wednesday, June 15, 1-4 PM
 - Potential topics: Treatment technology and Project 1007 updates
 - What treatment technology topics would you like to discuss?
 - Are there other topics you would like to discuss?
- Priority 1 Government/3M and Citizen-Business work group meetings at least twice per year
 - Next Priority 1 work groups likely to be scheduled in Fall 2022; dates and topics to be determined

Priority 2 work group meetings

- Priority 2 Government-3M and Citizen work group meetings at least quarterly
 - Initial Priority 2 work group meetings likely to be scheduled for September 2022; dates, location, and topics to be determined
- Priority 2 subgroup meetings approximately every other month
 - Initial Priority 2 subgroup meeting likely to be scheduled for September 2022; dates, location, and topics to be determined
